

BREAKTHROUGH BUTLER

Hello!

I am Nick Yannotty, the founder of Breakthrough-Butler. Me and my team are a new non-profit in Butler that serves youth along with their family and friends by providing:

- Safe space to embrace who you are, learn life lessons, & build healthy relationships
- Place of positivity and support
- Challenge yourself physically, mentally, socially, and personally
- Honest place that welcomes and values all
- Promise - Strength - Attitude - Leadership - Manage

Life is hard. Life is at times unfair. We all at some point face challenges, tough decisions, and obstacles. The choice is yours – push yourself and take on the challenge, or choose easy and give up? Stay the course or embark on a new path.

Be open to improvement. Adjust. Pray for guidance. Forgive each other. Forgive yourself. Enjoy the journey. Look forward to the little things. Appreciate what you have. Never forget where you come from. We're stronger together. So come build with us!
