Program Mission: To provide an opportunity for children with special needs to participate in sports, while being included in a positive and uplifting environment. To provide youth with the space to build and maintain healthy relationships, while being physically active and learning/trying new skills in various sports. The activities and skills are designed to accommodate each participant to ensure that all children can experience the joy of physical activity. 7 weeks. 7 theme nights filled with physical activities, fun, games, & social interaction. 45 minutes of action each week!
